

18 DEKALB COUNTY HOMEOWNERS TO GET THE OPPORTUNITY OF 2014

Contractor Committed to:

One Hour Heating Helping 18 Homeowners By "Giving Away" \$3,427 Furnaces For \$941 with Off-Season Air Conditioning

If your furnace is over 12 years old, I have great news for your wallet. Allow me to explain... The first few months of every year can be slow for my business. I employ great people and want to keep them working during these long, slow months. That is why I've come up with a Win-Win Situation for both of us.

Every year, the big manufacturers of furnaces & air conditioners have to guess how many to build to meet the demand. Of course, they're never exactly right. So, they always have some inventory that they must hold over until the next summer season. I went to one of these companies and contracted for the purchase of 18 Deluxe furnaces and air conditioners in the four most popular sizes used in DeKalb County. And, because of the quantity and time of year, I was able to buy them at drastically reduced prices.

They are brand-new Deluxe Models. They are NOT the seconds or "blem's" or standard "builder" models. They are factory-fresh furnaces and air conditioners and have a full 10-year factory warranty.

How To Get A Furnace For Peanuts

If you are interested in a new heating/cooling system (but only if one of the four sizes I have will fit your house, of course), I am "giving" you the furnace and all I ask for is the \$941 in labor & material costs for installation.

Perfect Fit For Your Home

I will come out and measure your home (and determine the availability of the proper size). Don't forget, I only have 18 matched Deluxe systems in four sizes. When they are gone, this remarkable offer ends also.
